

## **Pre- Course Care Act 2014 - 2 Day Training Information**

This form outlines more detail about the course, aims & objectives and aims to find out a bit more about you and your expectations whilst you are completing Care Act training with us.

### **What is the course about?**

The course will equip candidates with the confidence, knowledge and understanding to practice the new Care Act 2014. Below is an outline of the training topics covered:

### **How will I learn?**

The training is delivered by an experienced Advocate Trainer, usually in small group sizes. The learning will be a mixture of tutor direction, case studies, individual exercises, group discussions, group exercises and self-reflection. There will be some self-directed learning to read the Care Act 2014 Code of Practice. In depth supporting materials, references and copies of all presentations are provided as part of the training. Please see below the topics which will be covered in training.

Care Act principles in the individual (adult and carer) journey: from first contact to review including support planning -

- Wellbeing
- Prevent, delay and reduce
- Integration co-operation and partnership
- How to make an eligibility determination for adults and for carers
- Next steps after and within assessment
- Ensuring assessment is appropriate and proportionate:
  - Preparing for assessment
  - Supported Self-Assessment

Learning Outcomes -

- To increase understanding of the context and principles of the Care Act 2014
- To increase knowledge and understanding of assessment and eligibility within the Care Act 2014
- To improve confidence in how to apply Care Act principles and practice in assessment and eligibility
- Attendees to understand the relevance of the Mental Capacity Act in safeguarding and be able to apply the basic principles in practice.

### **Do I need any specific equipment?**
